Departmental Achievements :

Promoted by the South Indian Education Society (SIES), one of the oldest and value-based education trusts that run number of educational institutions in the city of Mumbai. SIES College of Management Studies (SIESCOMS) is a premier b-school in the landscape of management education in India. Located in a sprawling complex at Nerul, Navi Mumbai, the institute has rich academic ambience and has physical infrastructure befitting a modern and global B-school. The institute runs a number of AICTE approved management programs that include Master of Management Studies (MMS), Post Graduate Diploma in Business Management (PGDM), vertical programs on Pharmaceutical and Biotechnology business management. The institute also runs **Doctoral Program** in Management in collaboration with SNTD Women's University. The institute also runs a technology focused university affiliated program Masters in Computer Application (MCA) whose objective is to prepare technology professionals with management application.

With 48 **core** faculty supported with around **100 visiting** faculty members, the college has rich learning environment. SIESCOMS has one of best pools of faculty among business schools in the city of Mumbai.

The college has a strong corporate networking and is engaged in organizing a number of **Management Development Programs (MDPs)** and **Consultancy Activities**. Some of corporate clients with whom the institute has close relationship in recent times in this regard include Atomic Energy Regulatory Board (AERB), Glenmark Pharmaceuticals, Ispat Industries, Kotak Securities, Reliance Infocomm, The Shipping Corporation India and Thyssenkrupp Steel India, among others.

Though hardly more than 10 years old, the institute has impeccable placement record with major **domestic** and **multinational companies** being the consistent recruiters with highest salary of Rs 9.5 lacs p.a. The average salary has been Rs 5.0 lacs p.a. These figures are much better than many comparable institutes.

The Institute is known for its innovation and best practices. It is the first B-school in India to get **ISO 9001:2000** certifications. **Research** is the core focus area of the institute. The latest initiative in this direction includes the innovative practice of "**idea research**" wherein the first year students are involved in actual research projects. Outcome of these research endeavors is published by the institute. The other unique initiative has been concept of "**leadership trait development program**" which is a structured intervention through various means to improve leadership qualities of students. As a part of innovative practices, institute has created two centres of excellence": one on **Banking and Finance** and other on **Business Ethics and Values** for research and development.

The result is obvious. The institute is already recognized as one of the top **B-schools** as per all major rating exercises. The vision of the institute is to create a positioning for itself as an "**institute with a difference**" wherein all efforts are directed towards creating global managers with Indian values and ethos. One of the major achievements of the institute in recent times has been that it has bagged the prestigious "**IMC Ramakrishna Bajaj National Quality Award (IMC RBNQA)** for the year 2008 under the education category.
